The following is a summary of a broadcast in Ukrainian at 20:00 GMT intercepted from an unidentified transmitter:

The station will broadcast its programs every day on frequency 6660 kilocycles from 21:00 to 23:00 and from 23:00 to 24:00 Middle European Time, that is from (word unintelligible) to 02:00 Moscow time.

The station describes itself as a transmitter of the anti-Bolshevik bloc of nations, named after General Taras Chuprynka and goes on to greet all fighters for freedom in the Ukraine, Byelorussia, Kazakhia, Turkmenia, Siberia, Ural, Georgia, Tadzhikia (words unintelligible), Poland, Bulgaria, Rumania, Czechoslovakia, Hungary, Serbia, Croatia, Albania, Lithuania, Latvia and Estonia.

The station extends its greetings to the fighters of the Ukrainian Insurrection Army and the partisan detachments of all the enslaved nations (follows unintelligible passage, jamming here is intense--Editor). The station sends its greetings to all men, women and children of all the nations who are preparing themselves in kolkhozes, factories and mines to shake off the yoke of the oppressor Stalin and of his accomplices. (The remaining part of the broadcast is jammed--Editor).
